Transparency

This website is our public window into the work of the Sangguniang Kabataan. Here you can easily view plans, programs, and activities; track updates and reports; and understand how public resources are used to serve our barangay. Our goal is to strengthen trust through openness, involve more young people in local governance, and make information simple, accurate, and accessible to everyone.

In line with the SK Reform Act (Republic Act No. 10742) and the Local Government Code of 1991, this site supports transparency, youth participation, and public access to information.

Let's build a better Community.
